**A Stack of Advantages**

Significant savings from increased efficiency, less waste of raw material and less labor. And here are more reasons why LaborSave™ makes sense.

- Greater throughput: Up to 1300 sacks per hour
- Increased efficiency of raw materials: More than 99.99% empty
- Reduced labor: Automatic sack unloading and emptying
- Enhanced safety: Total elimination of manual lifting
- Reduced contamination risk: A clean sack emptying environment
- Enhanced flexibility: Suitable for standard sack types
- Quick ROI: Tremendous savings in raw materials, labor, storage and transportation

**LaborSave™. A classic case of brilliant simplicity.**

“Your machine is a ‘jewel.’ I stop by once a day just to admire its efficiency.”
